D. LIABILITY (Cont'd.)

3. Liability of Telephone Company for Directory Errors (Cont'd.)

- b. An allowance for errors or mistakes in or omissions of published directory listings or for errors or mistakes in or omissions of listings obtainable from the directory assistance operator shall be given as follows:
- (1) For free or no-charge published directory listings, credit shall be given at the rate of two times the monthly tariff rate for an additional or charge listing for each line affected for the life of the directory or the charge period during which the error, mistake or omission occurs.
 - (2) For additional or charge published directory listings, credit shall be given at the monthly tariff rate for each such listing for the life of the directory or the charge period during which the error, mistake or omission occurs.
 - (3) For listings obtainable from records used by the directory assistance operator, upon notification to the company of the error, mistake or omission in such records by the customer, the company shall be allowed a period of three business days for the correction to be effected. If the company has not corrected the error, mistake or omission within three business days after notification by the customer, credit shall be given at the rate of two-thirtieths (2/30) of the basic monthly rate for the line or lines in question for each day thereafter that the records remain uncorrected.
 - (4) Credits for an error, mistake or omission in the free listing, the charge listing and listings obtainable from records used by the directory assistance operator shall be given as specified in Sections (1), (2), and (3) above; provided, however, that the total amount of the credit shall not exceed, on a monthly basis, the total of the charges for each listing plus the basic monthly rate for the line or lines in question.
 - (5) As used in Sections (1), (2), (3), and (4), the terms "error," "mistake" or "omission" shall refer to a discrepancy in the directory listing or directory assistance records which the company has failed to correct and where the error affects the ability to locate a particular customer's correct telephone number. The terms shall refer to addresses only to the extent that an error, mistake or omission of an address places the customer on an incorrect street or in an incorrect community.
